

HOW TO BUY

Keeping your vessel clean and shipshape is easy with NEMO. Our compact, high-performance cleaning products are simple to purchase and even simpler to use. Whether you choose to buy directly from us or through your trusted marine chandlers, NEMO is here to help you maintain a pristine vessel – effortlessly.

2 SIZES AVAILABLE.

25L CONTAINER

Industry-standard size, suitable for use in most regions and applications.

1000L IBC

Perfect for large-scale cleaning of holds or tanks with pressure-based systems or high-capacity ultrasonic tanks.

2 PURCHASE OPTIONS.

We offer two convenient purchasing options for customers looking to use NEMO aboard their vessels:

Direct Purchase

Vessel owners can purchase NEMO fluids directly from us, ensuring straightforward procurement and installation.
(MOQ: 1 pallet)

Purchase via Chandlers

Customers may also choose to purchase NEMO through a growing number of marine chandlers, offering added convenience and the ability to bundle products with other onboard supplies and services.
